CAR DEMOLISHED; 2 PEOPLE UNHURT

Machine Driven by Forrest Moore, 19, is Struck by Big Four Freight at First Street Crossing

DRIVER IS THROWN OUT

Miss Opal Linville, 16, Carried With Wreckage and Miraculously Escapes Death

Forrest Moore, age 19, and Opal Linville, age 16, narrowly escaped serious injury Thursday night shortly after seven o'clock, when a roadster automobile in which they were riding was struck by a Big Four freight train which was switching in the vicinity of the station, at the First street crossing, completely demolishing the machine, and painfully injuring Miss Linville.

The couple failed to see the train, which was backing south with several cars in front of the engine, and a car struck the automobile, sending it along the track, and tearing it into pieces. Mr. Moore, the driver, was thrown clear, but Miss Linville was carried with the wreckage and thrown to the west of the track.

The freight was north bound, but was doing some switching and had taken several cars up the track, preparing to back into a switch. It is said that the crew was preparing to make a flying switch and that there was no one on the end of the car, which struck the machine.

Miss Linville was taken from the wreckage and Dr. D. D. VanOsdol was summoned and gave first aid in the station. Her right leg was badly bruised and cut, but it is not believed that any bones were broken in her foot, although she was suffering intensely from the injuries.

Miss Linville is the daughter of Mr. and Mrs. Ernest Linville, living on the Shelbyville pike, just west of here, and Mr. Moore is employed at the Reynolds Manufacturing Company, and is the son of Mr. and Mrs. George B. Moore, Jr., also living just west of Rushville.

The couple was reported killed in the accident here over a year ago when the Cross children were killed at the Perkins street crossing of the C. I. & W. railroad, as they had been in company with the trio at a picture show, only a few minutes before that accident.

Mr. Moore owned the Ford roadster, and carried accident insurance, which is believed to have covered the loss, although it was torn into pieces and practically demolished.

People who heard the crash rushed to the scene, and expected to find the occupants mangled. It is said that the fact that they escaped without serious injuries is remarkable.

INSTITUTES EVERY DAY DURING WEEK

Dr. J. L. McBrien of Terre Haute Normal Will Open Arlington Meeting With Address Monday

PREMIUMS AMOUNT TO \$150

Dr. J. L. McBrien of the State Normal School, Terre Haute, who is to be the principal speaker Monday night at Arlington, when the two day institute and corn show opens, is said to be a speaker of ability, and will no doubt attract a large crowd for the opening session.

Dr. McBrien will talk on, "Our Young People and What Shall We Do With Them." His address will be given in the Christian church in Arlington at eight o'clock on Monday night, and a musical program also will be given by Downey's orchestra.

The institute and corn show will open on Tuesday morning at the church, and premiums totalling almost \$150 are offered for the various classes, which includes departments for women, girls and men. Miss Gaddis of Purdue will also be a speaker for the assembly on Tuesday.

Similar institutes have been announced for Milroy January 18, Mays on January 19, New Salem on January 20 and Moscow January 21.

COLDER TONIGHT, PROMISE

Lower Temperature to be Followed by Warmer Weather Saturday

Colder weather is promised tonight on the heels of the snowfall which came during the night and continued intermittently today, with warmer weather Saturday.

The temperature moderated during the night, ushering in the snow storm, and did not reach the low mark for the year, twelve degrees above zero, which was established Wednesday night.

The weather was very disagreeable today, the temperature remaining below freezing all day, and a strong wind added to the discomfort of persons compelled to go outdoors.

SHORT COURSE IN CLOSING SESSION

Best One in History of State Ends Today With Series of Practical Farm Demonstrations

CLASSES IN EACH SECTION

Dairy and Beef Cattle Breed Associations Meet—Quality of Show Entries Higher

Lafayette, Ind., Jan. 13.—The best farmers' short course in the history of Indiana came to a close this afternoon at Purdue University with a series of practical farm demonstrations showing how to judge hens for egg production, how to judge dairy cows, how to treat seed oats to prevent smut, how to select seed potatoes from the hill, inoculate legume seed, and a miniature livestock show with animals from the university farm. The final day's program also was featured by the meeting of the dairy and beef cattle breed associations, all of which outlined programs for their associations during the coming year.

Classes were held in every section of the short course, except dairying, the day being given over to the association meetings. Homemakers heard talks on Food for the family, flowers for the home, music for home and school, the homemaker and hospitality and ended with an informal tea at the Home Economics' Practice house where the regular students studying home economics' get practical experience.

Before the vegetable growers, H. H. Swain, secretary of the Indiana Horticultural Society, discussed strawberry growing and culture, H. D. Brown spoke on vegetable plant production and P. P. Cullinane on grape growing, feeding laying hens, housing poultry and poultry accounts were discussed in the poultry section, while those in the animal husbandry course witnessed a horse judging demonstration and heard talks on economical pork production and another on fattening cattle. The nature of plant diseases, market grades of grain, weed eradication, and intelligent buying of fertilizers were discussed before the soils and crops sections.

Most of the hundreds of farm men and women here for the course departed for their homes today and those who had show samples of corn or small grain took them along, many with prize ribbons and money. The corn show was the best ever held in Indiana with a total of 331 entries the exact number entered last year when a record was set. The quality of the products generally was higher than in previous years. The potato show numbered about 150 entries, twice the number of a year ago. Commercial growers showed up exceptionally strong this year, indicating that the state potato show has become a permanent feature of the short courses. The quality of their products was far superior to that of last year.

Jinxed by Friday the 13th
Indianapolis, Ind., Jan. 13.—(Friday)—Sam Cornwell, negro, left his mammy's superstition behind when he broke into a house to rob it. He didn't look at the calendar. It was a policeman's home.

Robinson Crusoe Has Man Friday; Also Saturday In "Oh, Oh, Cindy!"

They Are Deadly Rivals For Hand of Lilly, Queen of the Cannibals, as Will be Revealed When American Legion Show is Presented for First Time at Graham Annex Jan. 25

You have read of Robinson Crusoe and his desert isle, of his parrot and the man Friday; but did you know there was a man Saturday? That is news to you. But did you also know that Friday and Saturday were deadly rivals for the hand of Lilly, the Queen of the Cannibals? Did you know that Crusoe's parrot liked Bronz cocktails?

Some revelations as to the cast-away's life on the island will be made at the Graham Annex Jan. 25 and 26 with the first performance of "Oh, Oh, Cindy". His life was far from lonely, and he wasn't exactly bashful while among the ladies.

The role of Robinson Crusoe will be portrayed by Ralph Pender whose antics at the rehearsals keep those participating in the play in a constant roar of laughter. Friday and Saturday are played by Horace

Pearsey and Eugene Kelly respectively; and their work thus far bids fair to stop the show. Probably the best comic song in the production is that sung by Friday during the first scene of Act II, "I Want a Chance to Beat that Drum".

Lilly, who acts as maid to Cindy and who later appears as the cannibal princess, will be played by Miss Talbert. This part, under the interpretation of Miss Talbert, is one of the best and funniest roles in the entire cast.

Dr. Lowell M. Green, chairman of the finance committee, reports that the seat sale has started out very satisfactorily. Tickets may be procured from any member of the cast or chorus or at any Drug store. Seat reservations may be made at Orsen's pharmacy on and after Jan. 23.

Robert G. Wood, the director who was sent here by the John B. Rogers Producing Co., under whose supervision the production is being staged reports that the rehearsals give evidence of an excellent performance when the premier is presented at the Graham Annex on Jan. 25 and 26.

HENRY COUNTY BOY JUNIOR CORN CHAMP

Homer Crandall of Mount Summit Wins State Honor For Second Time in Succession

REWARD IS A FIVE-DAY TRIP

(By United Press)
Lafayette, Ind., Jan. 13.—Homer Crandall of Mount Summit, Henry county, is the junior corn champion in Indiana, winning this honor for the second year in succession, final placing of the ribbons and records at Purdue University today revealed. He not only had the highest yield of 148½ bushels of any of the boys and girls, but had the best record and story of his work and sample which scored well up in the show ring.

He competed for first honors with four other boys. They were Morris Warren of Kouts, John Snoeberger, Rockfield; Raymond Porter Greensburg, and Floyd Wetheholt, Rockport.

These five boys with the girls club winners will leave next Monday on a five day trip through Kentucky and to Corydon, Indiana, after a visit with Governor McCray and the State board of agriculture at Indianapolis. The trip is a reward for their good work.

Gibson Gray of Fairland, Shelby county, was grand sweepstakes single ear champion of the boys and girls club show, keeping up Shelby county's record.

AUTO MECHANIC MISSING

Fire Destroys Ruff Block at Hammond, Causing \$100,000 Loss

(By United Press)
Hammond, Ind., Jan. 13.—L. Cotzer, auto mechanic, was missing today in a fire which destroyed the Ruff block, with damages amounting to \$100,000.

The fire burned all Thursday night after starting about 7 p. m. Appeals were sent to nearby cities asking for aid. Indiana Harbor was unable to send aid because of a fire which destroyed the Indiana Harbor hotel with a loss estimated at \$50,000.

Explosions of gasoline and oil in the basement of the Ruff building constantly endangered the lives of the firemen. It was a three story structure between the Mee hotel and the superior court building. The first floor was occupied by a hardware store.

3 CITY BLOCKS CAVE IN
Scranton, Pa., Jan. 13.—The most disastrous cave-in in the history of this city occurred today when three city blocks on Pittston Avenue subsided. The loss of life is conjectural. The miners who emerged from the mines say they believe four are dead and three injured.

NEWBERRY WILL NOT RESIGN SEAT

Senate Refuse to Unseat Michigan Senator by Vote of 46 to 41, He Will Retain Place

WILL BE A CAMPAIGN ISSUE

Democrats Count on Newberry Case to Win Them Control of Senate After Next Election

(By United Press)
Washington, Jan. 13.—Senator Truman H. Newberry, Michigan, given his seat in the Senate by a vote of 46 to 41 today declared he would not now resign.

Reports have been current that the Senator would retire if vindicated by the Senate of charges of personal knowledge of the excessive use of money in his campaign against Henry Ford.

The Newberry case today is a political issue. So far as the present Senate is concerned the case was settled Thursday night when on four roll calls, each resulting 46 to 41, Republican leaders repelled all assaults on Senator Newberry's title to his seat.

That record will be carried into the Senatorial primaries and the general elections in every state which nominates and elects a senator this year. The Democrats count on the Newberry case to win them control of the Senate.

So far as the Senate's record is concerned, Newberry is now fully entitled to his seat, though his colleagues condemned the excessive use of money in political campaigns. The resolution seating Newberry declared that the use of as much money as Newberry's friends spent in his behalf was against public policy and threatened the perpetuity of the republic. Then they went ahead and seated him.

"My heart is filled with thankfulness that the three years and four months of persecution have ended in complete vindication and exoneration of myself and all concerned," said Newberry, when he learned of the vote.

The "uncertain" group of Republican senators decided the issue. McNary, Oregon, who was "clubbed" into voting for Newberry by administration threats to block his reclamation bill, Poin Dexter, Wash.; Willis, Ohio; Cummins, Iowa, and Kellogg, Minnesota—these provided the votes to seat Newberry.

Nine republicans, Borah, Capper, Ladd, La Follette, Norris, Norbeck, Kenyon, Jones, Washin., and Sutherland voted against Newberry.

LICENSED TO WED

A marriage license has been issued to Earl Hyatt, a farmer of this county and Jennie Cloud, daughter of Mr. and Mrs. Thomas Cloud, also of this county.

ELEVEN TENTATIVE JURORS IN THE BOX

Attorneys Hope to Begin Introducing Evidence in Fatty Arbuckle Case by Saturday

FRIDAY, THE 13TH AVOIDED

(By United Press)

San Francisco, Jan. 13.—With eleven tentative members in the jury box and peremptory challenges still in order, attorneys in the Roscoe (Fatty) Arbuckle trial for the alleged taking of the life of Virginia Rappe, had hopes of getting down to testimony late Saturday. Although Fatty has said he had no superstitions, neither side wanted to start testimony on Friday, the thirteenth.

When court opened today things had simmered down to a point where there was a sort of set of plans and specifications which talismen must fit if they were to be acceptable.

Here's about all that was required for a person to sit in judgment on the famous, fat comedian:

Must not have read more than perfunctorily of the case.

Must have no opinion one way or another.

Must not be a Fatty Arbuckle fan.

Must have no prejudice for or against the movies.

Although it would seem that every one in the world must know something of Fatty and his troubles, two talesmen have sworn they had read nothing of the case and five now sitting as temporary jurors never saw Fatty in the films.

POINCARE ACCEPTS PLACE AS PREMIER

His Acceptance Taken in Political Circles to Mean He Will Head The Next Government

PREDICTIONS OF CABINET

Paris, Jan. 13.—Raymond Poincare, former president of France today, formally accepted President Millerand's invitation to form a new cabinet to succeed that of Aristide Briand. Poincare's formal acceptance is taken as indication he has been successful in his efforts to complete a ministry.

Official announcement today of Poincare's acceptance was taken in political circles to mean he would undoubtedly head the next French government. It took him less than 24 hours of private inquiry among potential ministers to secure the necessary members of a cabinet which he will head as premier and probably as minister of foreign affairs.

The political correspondent of the Agence Rado predicted today that the following ministers of the Briand cabinet would retain their portfolios.

Sarrant, colonies; Loucheur, devastated regions; Le Troquer public works; Daniel Vincent, labor.

Andre Maginot, previously minister of pensions, will take the war post, he said, and the newcomers are likely to be ex-Premier Doumergue justice; Senator Francis Albert, public instruction; ex-Premier Leygues whose ministry preceded that of Briand, navy; De La Steyrie, finance; Jean Durand, agriculture; Manoury, interior, and possibly Perriot as minister of pensions.

ONLY 100 FEET OF CEMENT

There will be only approximately 100 feet of cement on the T. K. Mull road, running south from Manilla, for which the contract was let Tuesday, it was stated today. The plans originally called for cement from the main street in Manilla to the school house, but this was all eliminated except the short stretch of street from the Shelbyville pike to the Pennsylvania elevator.

NEW SALEM SCHOOL CLOSED

The New Salem school has been closed on account of a diphtheria epidemic in the schools, according to Dr. Metcalf, who reported this afternoon that 12 active cases had been pronounced by the state department.

COUNTY BALANCE IS \$105,783.03

Annual Financial Report Shows Receipts Amounting to \$1,470,208.81 During 1921

\$1,464,103.54 IS DISBURSED

County Fund Shows Balance of \$37,137.34, Biggest Item in Receipts Being \$121,838.04 in Taxes

Rush county has a working balance of \$105,783.03 on which to do business, according to the financial statement for 1921 made public today by Phil Wilk county auditor.

This includes a balance of \$37,137.34 in the county's general fund and the balances in the various other funds such as flood bonds, common school fund, congressional school fund, gravel road bond and bond redemption funds, road costs fund, county agent fund and gravel road repair fund.

The total receipts for all funds last year amounted to \$1,470,208.81 and, including a balance on hand January 1, 1921, made the total amount available during the year \$1,569,886.57. The total disbursements from all funds for the year were \$1,464,103.54.

Receipts, including balances left over from 1920, in the county fund for the year 1921 were \$156,444.40. Expenditures totaled \$119,307.06, which left a balance of \$37,137.34 as compared with a balance of \$2,391.15 in the county fund a year ago.

There was paid into the county fund in taxes during the year the sum of \$121,838.04. The item for interest on county deposits alone amounted to \$5,302.96. The revenue from the county poor asylum was \$2,682.35. Other items of revenue included fees collected by county officials.

The expenditures cover the routine expenses of the county government, including county officers salaries and fees, expenses of the courts and various county boards, the expense of assessing, the cost of township poor which amounted to \$6,429.30, the upkeep of the court house, which totaled \$7,850, the maintenance of the county poor asylum which amounted to \$9,931.47, the cost of keeping the orphan poor which amounted to \$6,854.12. The expense of elections was \$1,213.40 and of soldier burial was \$1,293. Bridge expense amounted to \$7,006.06 and the cost of bridge repair was \$4,781.58. Grouped under the heading of miscellaneous expense is an expense of \$15,000.05.

The flood bond fund shows a balance of \$190.84, receipts amounting to \$5,546.27 from taxes and disbursements \$7,697.50. A deficit was

HENRY FORD READY TO BUY FRENCH NAVY

Answer to Inquiry From France is He Would Purchase All Ships For Scrapping Purposes

BATTLESHIPS OUT OF DATE

(By United Press)
Washington, Jan. 13.—Henry Ford here today announced he was ready to buy and scrap the entire French navy. Ford received a cablegram a few days ago signed "La Borieux" asking if Ford would buy for scrapping purposes a number of presumably obsolete French cruisers and battleships.

"I cabled back immediately," said Ford, "stating that the only proposition of that kind I would care to consider from the French was a proposition of buying and junking the entire French navy. I am not interested in part of navies. I want to scrap them all."

"France would make money and be in a better position in the world if she sold me the entire fleet and let me junk them," he declared. "I never received any reply. But France and every other nation could well afford to scrap the big battleships when it was proved that airplanes can sink the battleship, which puts the battleship out of date."

The Modern Mother

faces problems far beyond those of her forbears. She herself must be a much more competent person, combining in one individual the duties of nurse, cook, teacher and moral instructor. It is no wonder that many conscientious women break under the strain, and that others drag out a miserable existence; always tired, and yet unable to take a day's vacation. Such women will find themselves benefited and their burdens made easier by the use of Lydia E. Pinkham's Vegetable Compound, which was made for suffering women, and does not fail to relieve them.—Advertisement.

New York Stocks

(By United Press)

New York, Jan. 13—Stock prices at the start of trading on the New York stock exchange today appeared to count the striking im-

provement in the banking position of the country as a more important influence at the moment than the additional complications in the European situation arising out of the French premier's resignation. Briand's retirement was announced before the previous close, but it was not known in the speculative community on Thursday that his action would result in adjournment of the Cannes conference. This development seemingly was outweighed by a jump in the ratio of the entire federal reserve system from 71.1 to 74.7 per cent, the highest since Oct. 1917, and prices showed a strong tone at the opening.

Opening prices on the New York stock exchange today include: Southern Railway 13 1/2, up 1; New Haven 13 1/2 up 1/8; Reading 74 1/2; Sinclair 20 1/2 up 1/8; Marine Prefd 66 1/2;

Studebaker 81 1/2, up 1; Utah Copper Pacific 79 1/2, up 1/8; American Sugar 62 1/2, off 1/8; Baldwin 92 1/2, off 1/8; ar 58 1/2; Crucible 60 1/2 off 1/2; Corn Texas Co. 44 1/2 off 3-8; Southern Products 98 3/8, up 1/8.

—Mrs. Fred A. Caldwell left this morning for Rising Sun, where she will spend the week end with her father, J. N. Perkins and other relatives.

—Mrs. John Sparks was called to Anderson Thursday evening on account of the serious illness of her daughter, Mrs. Eugene VanWinkle.

—Mr. and Mrs. Frank Reynolds will leave Saturday evening for a several weeks visit in Los Angeles, California, with Dr. and Mrs. Clyde Early, formerly of this city. They will stop off in Chicago for a few days enroute to Los Angeles.

BANK LOOT UNCOVERED

Indianapolis, Ind., Jan. 13.—Part of the loot in the Beech Grove bank robbery of last September was uncovered today upon information from Glen Stout, serving a sentence now as one of the robbers. There was \$1,825 of the \$23,000 stolen hidden in the place which Stout designated. It had been chewed by some rats or mice. Stout said he burned \$2,350 worth of liberty bonds, which was a share of his loot.

TRIES TO KILL WIFE

Paris, Jan. 13.—Thomas S. Ryan, a newspaper man has been arrested here charged with attempting to murder his wife, formerly Miss Audrey Creighton, of California, by forcing her to swallow bichloride of mercury tablets on a threat he otherwise would kill himself.

Used Cars

We have several used cars in first class condition, that will be sold at prices that should overcome any desire to wait until Spring before buying.

Gise & Monk Co.
114 East Second St.
Rushville, Indiana

Facts you should know when you buy a car

The question of greatest importance is not what you will be allowed for your old car but the price you pay for the new car and the value received.

You are money out if allowed \$100 more for your old car, yet have to pay a \$150 higher list price for a new car when the comparative value is not there.

A purchaser's loss is only postponed when trading allowances are made above a used car's real value. The deal that may appear most satisfactory to you in the beginning may prove to be the most expensive in the end.

No one receives anything gratuitously in this world — don't be misled by false allowances.

We believe that any sales policy which encourages the giving of fictitious values for used cars is an injustice to the public. We wish to establish definitely the fact that the Buick Motor Company has never followed this policy — rather has always based the price of its product upon actual costs and when costs came down correspondingly reduced the prices of its cars to the public without any camouflage whatsoever.

COUNTY BALANCE

IS \$105,783.03

Continued from Page One
avoided because of a balance of \$2,342.07 left over from 1920.

There is a balance of \$365.39 in the common school principal fund, forty-seven cents in the congressional school principal fund, \$4.56 in the permanent endowment principal fund, \$895.74 in the common school interest fund, \$643.70 in congressional school interest fund, \$227 in the permanent endowment interest fund and \$826.01 in the fines and forfeitures fund. Receipts in this fund, which go to the schools, amounted to \$571.01 during the year and there was a balance of \$255 from 1920.

Receipts from the sale of bonds for new roads amounted to \$309,525 and there was a balance January 1, 1921 of \$75,657.35. Disbursements were \$354,899.98, which represented the sum spent for new roads in 1921, and left a balance January 1 of \$30,283.37. This sum will be paid out as soon as the roads for which the bonds were sold, are completed.

are completed.

There was a balance of \$18,064.51 in the gravel road bond redemption fund at the first of last year and receipts in the fund during 1921 amounted to \$180,304.70. Disbursements were \$170,217.71, leaving a balance of \$28,151.50, all of which will be paid out as soon as the bond coupons falling due in 1921 are presented for payment.

The gravel road repair fund was overdrawn \$1,692.21 the first day of January last year and receipts during the year amounted to \$67,378.95, which was derived from a tax levy. Disbursements for the year were \$61,677.28, leaving a balance of \$7,701.67.

DROWNS IN "Y" POOL

Anderson, Ind., Jan. 13.—Paul L. Garman, 24, dived off a spring board at the Y. M. C. A. swimming pool here last night and drowned. His head and shoulder struck the bottom of the pool. No one else was swimming and sometime later, William Eitemann, 13, saw the body in the pool.

A Duty We All Owe

How many children of other people do you meet in the run of the day?
How many of those children do you pass without any form of greeting?
How many of them are completely ignored?
We owe a duty to every child that

we meet. That duty is to let the child know that it is among its friends and its protectors, that the mere presence of an adult in its vicinity is a guarantee that it is safe from all harm.

Children should be taught to respect their elders, but never to fear them.

When fear enters the heart of a child respect and confidence begin to disappear. That is one of the first steps toward waywardness, and the others are easy to take.

A kindly word of greeting to the child we meet costs us nothing. Its effect is seen not only in the brightness of the little countenance, but also in the sunshine that permeates its soul in after years.

Smile when you meet them. They will soon be smiling in return.

Pride Begins at Home

When pride leaves a community prosperity generally goes with it.

We might keep this fact in mind in this town, and make plans for a general clean up and spruce up when spring begins to open.

The man who has no pride in his surroundings possesses little ambition to advance in life. For that reason he does not become one of those energetic boosters and producers who are the "making" of a community.

Let us make 1922 a year of pride in our homes, and our people, and our agricultural and commercial activities.

Pride may come before a fall, but

it is a fact that it also serves to keep many a fellow on his feet.

The hearing on the Watson illegal hanging charges before the Senate Committee continues to be devoid of any substantial evidence in support of them. Apparently the sole result of the present agitation is to parade before the public once more some of the distressing facts connected with the World War, and is convinced that its officers in France conducted the operations as humanely as the business in which they were engaged permitted. The rest it is better to forget.

Secretary Weeks has acted wisely in holding up final action on the bid of Henry Ford for the Muscle Shoals power plant. Other industrial leaders are becoming interested in the possibilities at that point, and it is more than probable that the postponement will result in a contract of far more benefit to the Government than the original proposal of Mr. Ford would have meant and it been accepted.

The vast majority of income tax payers are in the class who have net incomes of \$5,000 or less. All of these will deeply appreciate the work of Secretary of the Treasury Mellon in simplifying the forms so that making an income tax return can be accomplished without expert assistance.

Still, it is but natural that the men of other countries should think their own women the most beautiful. They have not seen ours.

Hit the pace in January. Keep it up until December. You will go far and accomplish much, and make 1922 a year of profit.

We object to the contention that charity should begin at home. It should not be viewed in that light.

Success is right ahead of us, but it moves too rapidly for the laggard to catch up.

Christmas puts joy in the heart any paying the bills pulls it out again.

Even a wise man and his money are soon parted until his bills are paid.

From The Provinces

And Will Last About as Long
(Washington Post)
New Year resolutions will soon be as plentiful as appropriations to enforce prohibition.

INELIGIBLE MEN ARE COMING ON

Many High School Basketball Teams
Will be Strengthened After Mid-
year Promotions

RUSHVILLE AMONG THEM

Acquisition of Stewart Beginning
With Richmond Game Here, Jan.
20 Expected to Benefit

Many high school basketball players who have been ineligible during first school semester, will now take places on the teams and several of the schools in this part of the state will be much stronger as the result of the mid-year promotions.

At Milroy, Palmer, the fast player on the Sandusky team last year will be in his position for the first time Friday night, when the team journeys down to meet the Columbus high school. It will be the first real test for the Milroy team since they have been hitting their stride in the last few weeks.

Over at Connersville there hopes for a state championship team will be bolstered when Mark Williams becomes eligible in the game Saturday night when they play the McDuffey team from Oxford, O. The new man on the Connersville team was an all state forward last year when he played with the Anderson high school, and his addition to the team will no doubt cause Connersville to rise high in the state this year.

In Rushville, a new forward will take his berth on the team in the game with Richmond here, January 20. Stewart, who probably is the best basket shot in the county, and who was the mainstay of the Milroy team for two years, has been attending school here, and will become eligible at the close of the present school term, which will be on January 20.

Rushville high school basket tossers have two games before Stewart goes on the team, when they play the Greensburg team Friday night at that city and then meet Carthage here on Saturday night. The locals do not expect a great deal of trouble in winning these games.

Up to the north of here Spiceland and Newcastle, hot rivals, will clash on the big floor in Newcastle on Friday night. Newcastle won from Spiceland by a few points on the Academy floor, and the two teams always are great rivals.

Another game that holds interest is the Franklin Martinsville contest on Friday night. It will be played on the Martinsville floor, and a few weeks ago Franklin suffered their only defeat this season at the hands of Martinsville and on their own floor. The game will be a hard one from start to finish. Martinsville is scheduled to play Rushville in February.

Comb Sage Tea Into Gray Hair

Darkens Beautifully and Restores
Its Natural Color and
Lustre At Once

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.—Advertisement.

ARLINGTON TEAMS BOTH WIN AND LOSE

Athletic Club Swamps Blue Ridge,
40 to 29, But High School is
Defeated by Manilla

OUTPLAYED IN FIRST HALF

Arlington basketball teams divided honors at Arlington Thursday night when the Athletic Club five defeated the Blue Ridge independents, 40 to 29, and the high school team lost to Manilla high school 32 to 23.

The high school quintet lost the game in the first half, Manilla counting sixteen points while Arlington only scored six. Each team scored the same number of points in the last half.

The Athletic club came from behind in the last half and swamped the visitors, scoring 21 points and holding Blue Ridge to nine. The score at half time was 20 to 19 in favor of Blue Ridge.

The line-up for the independent game was as follows:

Blue Ridge (29) Arlington (40)
P. Gosnell F. Gardner
C. Gosnell F. Edwards
Tillison C. Shook
Marshall G. Wicker
Wagoner G. Northam
Field goals—P. Gosnell 3, C. Gosnell 3, Tillison 2, Marshall 2, Gardner 6, Edwards 5, Shook 5, Wicker 3; Poul goals, Tillison 9, Gardner 2. Substitutions, Bert for Edwards.

FIRST THIRTEENTH HOLDS NO TERRORS

High School and Independent Basket-
ball Team Away From Home,
Not Fearing The Jinx

GREENSBURG, SHELBYVILLE

Local basketball teams will take their chances on today being Friday the 13th, and games are scheduled away from home tonight by the Odd Fellows and the high school teams.

The high school first and second teams, accompanied by the band and a gang of rooters, will invade Greensburg tonight for two games, and the Odd Fellows will play the return game with the Shelbyville Independents on the floor in that city.

The high school expects to take the game tonight and they will be in good shape then for the contest here Saturday night, when Carthage will come here with their first and second teams.

The Odd Fellows lost a hard fought game earlier in the season to Shelbyville, but they also are confident, that they will take the game tonight, as they are now hitting a fast stride.

The game tonight in Greensburg is scheduled to be played in the school building.

High School Dope

By MR. R. H. S.

All Aboard for Greensburg! Coach Sutton has decided to make the Greensburg trip an overnight affair and take the teams down on the train instead of in automobiles.

Yes, hes' going to take the second team along. It would be gross injustice to leave Capt. Poston's squad at home after the way they played at Spiceland.

The band is going down and back in a truck. Little Billy Prazee, the lightest member of the band, gets to sit on the drum.

The English teacher reports that those Junior English poems will be ready for publication by Monday. Several Juniors, remembering that we once published a poem of our own composition in this column, have come to us and asked us to write one for them, but as that would not be fair, we declined.

The team has gone through some pretty stiff practices this week and should be in good shape for tonight's game. And its a good thing too, for they have a hard game here with Carthage tomorrow night.

When Franklin beat Newcastle, Newcastle said that it was because they had played a hard game with Rushville the night before. When DePauw beat Purdue, Purdue said

FIFTEEN TEAMS ARE COMING HERE

Basketball Fives From Franklin,
Decatur and Rush to Play in
Rushville Sectional

ALLOTMENTS ARE ANNOUNCED

More Teams May Come Because En-
tries Do Not Close Until Feb.
20—Tourney Date Mar. 3-4

Fifteen high schools representing three counties have entered the sectional tournament to be held in Rushville on March 3 and 4, according to the list of schools as divided among the 32-centers in the state, and the counties to take part in the local sectional are Franklin, Decatur and Rush.

The counties are represented with Rush having 9 teams, Franklin and Decatur each having 3. The limit for entering is February 20, and with over a month yet, it is very likely that several more teams from Decatur county will enter.

Last year Decatur county had five teams entered, which were Letts, Westport, Greensburg, Sandusky and Burney. This year Sandusky is not represented with a team, but Clarksburg has been making a good record, and they will probably enter the tourney.

Just what three schools in Franklin county are entered is not known. Brookville and Laurel are evidently in the list, but the third school can't be figured out. In Rush county the nine teams are Milroy, New Salem, Moscow, Manilla, Arlington, Webb, Rushville, Carthage and Raleigh. Two other teams, Center and Glenwood, may enter, bringing the list up to 11 schools in Rush county.

The rules will be practically the same this year as in former years, as only eight players can take part in the games, and expenses for the eight players and the manager will be paid by the places holding the tournament.

It was quite a relief here, to learn that Connersville was not among the schools coming to the local tourney. This is considered the most dangerous team in this part of the state, and they are in the list to play at Richmond, together with the Union county teams.

Winners of certain sections will play at Bloomington and Lafayette on March 11 and the finals will be held in Indianapolis a week later. Winner of the Rushville district will play at Bloomington, and if successful will play in Indianapolis.

The various competing schools in the sectional play will be allotted rollment and probable attendance at tickets on a basis of size of enrollment and probable attendance at the games. The schedules which will be drawn by lot are to be be unalterable, it is announced. The same system will prevail in the regional tourneys, although it is not stipulated that the same players that participated in the sectional meets must represent a school in regional play.

Besides Rushville having 15 teams, other centers in this vicinity will have the following teams: Newcastle, Henry 8, Delaware 10, total 18; Richmond, Wayne 11, Fayette 3, Union 2, total 16; Anderson, Madison 6, Hancock 8, total 14; Franklin, Johnson 8, Shelby 8, total 16.

It was because they had played a hard game with Wabash the night before. Will we have to hand out that line of talk if Carthage beats us tomorrow? No, dear reader, it won't be necessary. We might have to say that the reason that we defeated Carthage was because our team had such a good practice game with Greensburg the night before.

The article that we published in last night's column in regard to the track team has caused quite a good deal of comment at school. The students evidently didn't like the bawling out that we gave them. We have been saying nice things about the school ever since we first started writing this dope, and the first criticism that we dared to print caused a row. My, such base ingratitude! The coach told us that when he called for track men he noticed that we didn't hold up our hand. This bit of sarcasm left us dumfounded.

CARPENTIER STILL EUROPEAN CHAMP

By JACK MCAULIFFE,
Retired World's Light Weight
Champion

(Written for United Press)
London, Jan. 13—For once the experts were right and Georges Carpentier retains the European heavy-weight championship after stopping George Cook of Australia in the fourth round of their bout at Albert hall last night.

Georges must have seen a vision of another fourth round, one he once fought to, in Jersey City last summer, for when the bell called the fighters to the ring for the fourth time last night, Carpentier was after his man like a tiger. He flashed about Cook with his magnificent foot work and found the opening he sought and delivered the right hand blow that failed him at the beginning of the Dempsey fight last July.

This time it didn't fail and it only took one real right to put Cook down for the count.

It was a slow fight—for a Carpentier fight. At the beginning Georges was unenthusiastic. He allowed Cook, who was clumsy and amateurish, to take the advantage in the infighting.

FRANKLIN TO PUT OUT A \$1000 CAR

Air-Cooled, Four Cylin-
der, Weighing 1800
Pounds

Volume Production Will
Commence Early in
1923, Announce-
ment States

New York, Jan. 11—A \$1000 car is to be put on the market by the Franklin Automobile Company, Syracuse, it was announced today by H. H. Franklin at a meeting of eastern Franklin dealers. A chassis of the new car was exhibited privately on this occasion.

The car has a our-cylinder, air-cooled engine, weighs 1,800 pounds and is of five-passenger size.

Production will commence early in 1923, the actual date depending upon completion of patterns, tools

and the securing of machinery. Quantity deliveries are in prospect by April, 1923, at which time output will be nearing the 100 car per day mark.

The new car was developed in 1918 and 1919 and was to have been produced in 1920 but was postponed when business depression hit the country. Franklin officials anticipate that the new car will come on the market at a time when general conditions will be most favorable for volume sale.

The outstanding features of the car, aside from its low price, will be its easy riding and handling, roadability, gasoline and tire economy and the air-cooling system. It will be a "world-wide utility car," Mr. Franklin states.

Besides the \$1000 touring car, a sedan is also to be produced, price of which, although not yet fixed, will be equally low.

Merchandising of the \$1000 car will extend to world markets and will mean considerable expansion of dealership in this country, the meeting disclosed.

Thousands of people have said: "Price is the only thing that keeps me from owning a Franklin." This makes it possible for everyone to own a Franklin.

SOCIETY

Mr. and Mrs. Bert Mullins will be hostess to the pitch-in club this evening at their home in North Perkins street.

Mrs. Jack Knecht will be hostess for the members of the Tri Kappa sorority Monday evening at her home in East Sixth street. All members are urged to be present as this is an important meeting.

Approximately thirty couples attended the K. of P. dance given Thursday evening in the Knights of Pythias hall in West Second street. Splendid music was furnished by the Greensburg jazz orchestra for the dancers.

Mrs. Scott Hosier was hostess Thursday afternoon for the Yomo club at her home in East Eighth street. The ladies spent the hours socially over various kinds of needlework. One guest was present for the meeting. Dainty refreshments were served.

Mr. and Mrs. Joel M. Carson entertained Thursday at dinner at their home in North Harrison street, the following guests: Mr. and Mrs. John Carson of Raleigh, John Rich of Falmouth, Mr. and Mrs. Robert Breckenridge of Gings, Walter Carson and Mr. and Mrs. Donald Kiser and daughter Ruth, also of near Gings.

The Woman's Home Missionary Society of the St. Paul's M. E. church was delightfully entertained Thursday afternoon at the home of Mrs. Frank Sample in North Morgan street. An unusually good program consisting of music and talks on the lesson was given. Mrs. John Jordan had charge of the lesson which was "Who Are Our Neighbors and Strangers in a Strange Land." A discussion followed the talk by Mrs. Jordan. Mrs. Anna Smith who has recently visited Ellis Island in New York, gave a very interesting talk on her observation of foreigners coming into America. Mrs. Smith also sang a very beautiful solo and a vocal duet was given by Miss Betty Innis and Miss Margaret Moore. Thirty guests were present for the meeting. The hostess served dainty refreshments following the program.

Miss Virginia Haydon entertained a number of young lady friends Thursday evening at her home in North Main street, the occasion being in honor of her birthday anniversary. The guests included the Misses Mary Louise Wyatt, Helen Gray, Martha Fanning, Thelma Northam, Thelma Fanning, Phyllis Casady and Frances Bowen.

SUSTAINED INTEREST AT FIRST MEETING

Evangelistic Services Begin at United Presbyterian Church With Sermon by W. H. Hemphill.

EARNEST, PITHY AND POINTED

Evangelistic meetings began in the United Presbyterian Church Thursday evening. The attendance was nearly double that of the afternoon meetings of the Flying Squadron. From the moment that the Man from Ohio opened the Bible, there was the most intense and sustained interest. The sermon seemed to be brief. It was earnest, pithy, pointed and came to a close with a powerful appeal to give heed to the call of God.

Pastor Hemphill spoke from Isaiah 1:18—"Come now, and let us reason together, saith Jehovah: though your sins be as scarlet they shall be as white as snow; though they be red like crimson, they shall be as wool."

The speaker said in part: "If God is willing to reason with men, who have sinned against God and dishonored Him, they should be willing to talk it over with God. If there are severe things spoken in the Bible against sin and sinners it should be thought of as the kindly warning of danger ahead on the part of a true friend. It is the red light swing across the railroad track at the crossing at the approach of the fast express. God is treating us as rational creatures and makes his appeal to our understanding and reason. He urges, he presents arguments, he pleads, he promises, he appeals, he even threatens men that the scarlet stain of sin may be turned into snowy whiteness, and that the crimson red may become as the whitest wool.

The speakers voice is characteristic of his race. It is mellow, expressive of deep feeling, well suited to "Adorn a tale," or point a moral, or drive home a truth. An irrepressible humor kept every one alert and expectant to the close.

The services will begin tonight at 7:30 o'clock. The topic of the sermon will be "Harps Out of Tune". The invitation is extended to come and enjoy an hour of worship, at the United Presbyterian church, corner of 7th and Harrison streets, with the Rev. W. H. Hemphill as preacher.

A number of guests surprised Mr. and Mrs. E. W. Ross Thursday night at their home, 811 North Oliver street, the event being Mrs. Ross' birthday anniversary. Among those present were Mr. and Mrs. Jerry Oldham and son, Mr. and Mrs. Court

Rheumatism at 60

S. S. S. Thoroughly Rids the Body of Rheumatism Impurities.

Somebody's mother is suffering to-night! The scourge of rheumatism has wrecked her body; limping and suffering, bent forward, she sees but the common ground, but her aged heart still belongs to the stars! Does anybody care? S. S. S. is one of the greatest blood-purifiers known, and it helps build more blood cells. Its medicinal ingredients are purely vegetable. It never disarranges the stomach. It is, in fact, a splendid tonic, a blood maker, a blood enricher. It banishes rheumatism from joints, muscles and the entire body. It builds firm flesh. It is what somebody's mother needs tonight! Mother, if you can not go out to get a bottle of S. S. S. yourself, surely somebody in your family will. Somebody get a bottle of S. S. S. now! Let somebody's mother begin to feel joyful again tonight. Maybe, maybe it's your mother! S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

How glorious you will feel, mother, when your rheumatism is all gone. Let S. S. S. do it. It will build you up, too!

Pocahontas Coal

A FEW SUGGESTIONS ON HOW TO GET GOOD RESULTS WITH IT.

POCAHONTAS COAL burns more slowly in a furnace than most other coals. A few suggestions may help you get the best results in burning it.

1. The fire box should always be full. More heat is given off for the same amount of coal consumed.
2. In mild weather shake the ashes but little. A fire can be held down most successfully and with less coal consumed when there is a considerable amount of ashes under the fire.
3. After throwing in fresh coal, open the drafts and let the coal get well started to burning before closing them. Otherwise your fire may go out or explosions in the furnace occur. Fire the furnace at least an hour or two before retiring so that it can get a good start.
4. If you have a vent in the furnace door, open it at least part way. The combustion of the gases from the heated coal is better. These gases will then be burned and the heat value of them secured, when otherwise it might be lost.

If these simple rules are followed, you will find our Pocahontas Coal a pleasure to burn, and an even and highly satisfactory heat assured.

CROOKE DUE SATURDAY

New York, Jan. 13—The leaking transport Crooke with 900 men of the army of occupation aboard, but in no danger, will reach New York Saturday or Sunday, it was said at the transport service office today.

We hear a great deal said in this day and age about the cost of the service rendered to the consumer.

We invite you to compare our prices with those of the no-service stores, so that you may see for yourself just what delivery service, telephones, clerks, charge accounts, etc., cost you. Cost of service is largely dependent on volume of business. You give us the volume and we will be able to give you the price and service, too.

THIN FRAIL PEOPLE SHOULD TAKE TANLAC

Hundreds of Men and Women in Rushville Appear to be Physical Wrecks Simply Because Their Systems Are Starving for Nourishment

There are hundreds of thin, run-down, nervous men and women right here in Rushville, who should be strong, sturdy and vigorous, with rich, red blood tingling through their veins and feeling brimful of life and energy, if they would only profit by the experience of others all over the United States and Canada, and assist nature to digest the food they eat, by simply taking Tanlac.

Millions of people have not only been relieved of the most obstinate forms of dyspepsia and indigestion by Tanlac after other remedies have failed, but large numbers of them have reported a remarkable and rapid increase in weight and a return to normal health and strength by its use.

In fact, so phenomenal have been the gains in weight by thin, frail people through the use of Tanlac that this remarkable preparation is now being proclaimed everywhere as the World's Greatest Tonic.

The food people eat does them absolutely no good unless they digest it properly. When you suffer from indigestion and other forms of stomach trouble the food does you harm instead of good, because food which is not digested stays in the stomach and ferments, causing pains, swellings, gas on stomach, shortness of breath, bad taste in the mouth, dizziness and many other disagreeable symptoms. If this condition is permitted to run on for an indefinite period the entire system becomes saturated with poi-

son, the patient becomes thin and pale and in time various complications are apt to result.

Tanlac is a powerful reconstructive tonic and quickly overcomes this condition by aiding Nature to eliminate the impurities from the system in a natural way and enable the vital organs to properly perform their functions. That is why it is called Nature's Medicine.

In fact, there is not a single portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the entire system. Next, it enables the weak, worn-out stomach to thoroughly digest its food and convert the nourishing elements into bone, blood and muscle. The result is you feel strong, sturdy and well with the proper amount of flesh, as Nature intended.

Tanlac is sold in Rushville by F. B. Johnson Drug Co., and by leading druggists everywhere. Advertisement.

"Cheated Hearts" at Mystic

"Cheated Hearts" starring Herbert Rawlinson, at the Mystic Theatre today is an adaptation of William F. Payson's novel, "Barry Gordon", and is the story of a young man who inherits something more than Virginia millions when his father dies. He finds himself cursed with a constant desire for liquor. The pivotal idea, however, is overshadowed by the dramatic incidents of the story. The young man promises his sweetheart not to drink—and he keeps his promise.

Until one day he sees his fiancée apparently responding to the attentions of his brother. His brother is a lucky fellow—no drink habit, no troubles. So Barry Gordon packs his bag and flees to Paris, where he tries to absorb enough wine to drown the memory of his sweetheart and his brother finding their happiness together.

A year or two later he reads in the papers that his brother, prospecting in Morocco, has been captured by bandits and is held for ransom. Instantly the man again, Barry sails for Morocco and leads the search there for his brother. His sweetheart, her father and another friend also sail for Morocco.

In the denouement every player, Rawlinson, Marjorie Daw, Anna Lehr, Doris Pawn, Josef Swickard, Winter Hall, Murodek and Al McQuarrie, Warner Baxter, Hector Sarnor and Boris Karloff do their full share of acting, presenting a vivid picture of emotional climax.

Earl Williams at the Princess

Some beautiful scenic back-grounds along the Kern River section of California were used in which to film the action for "Bring Him In," which will be shown at the Princess Theatre today and Saturday. One of the most picturesque log cabins ever constructed is made for the production. Trees three feet through at the base went into the makeup of the cabin. Pine cones twelve inches in diameter were used for decorations and for firewood.

The Earle Williams company used this cabin for its headquarters during the making of the picture. Mr. Williams enjoys camping and provided much of the sustenance with his rifle and rod and line. As a sportsman the star takes the lead. He is fond of hunting big game and is willing to spend a day any time catching fish. The production shows him in the element he likes best and was more of a vacation to him than work for it is just the type of a vacation he would choose to take.

The story deals with the Canadian Northwest Mounted Police and shows the star as a hunted man. Circumstantial evidence points to him as guilty of a great crime and a man whom he has befriended while in the service of the Royal Mounted is commissioned to find them here and bring him in. How this is accomplished forms one of the most interesting and thrilling stories ever told on the screen.

FORTY SITES REMAIN FOR NEW REFORMATORY

Secretary States Final Decision on Site Would Not be Far from Central Indiana

COMMISSION TOUR COUNTIES

Indianapolis, Ind., Jan. 13.—Elimination of proposed sites for the relocation of the Indiana reformatory has narrowed the possibilities down to forty, E. M. Foley, secretary of the relocation commission, said today.

Foley refused to say where the remaining forty are but said the final decision on the site would not be far from central Indiana.

The reformatory now is at Jeffersonville and Colgate and Company bought the site to establish a factory there when the legislature voted to relocate the institution.

Next week the commission will tour five counties in the central part of the state from which residents have offered their land for the reformatory. On Thursday they will visit Morgan county, Friday Marion and Hendrick counties; Saturday Boone and Hamilton counties. A further tour will be arranged unless the commission finds a site which meets all requirements as to water supply, transportation, etc.

Neglecting That Cold or Cough?

LETTING the old cough or cold drag on, or the new one develop seriously, is folly, especially when at your druggists, you can get such a proved and successful remedy as Dr. King's New Discovery. No drugs, just good medicine that relieves quickly.

For over fifty years, a standard remedy for coughs, colds and grippe. Eases croup also. Loosens up the phlegm, quiets the croupy cough, stimulates the bowels, thus relieving the congestion. All druggists, 60c.

FAR EAST SITUATION MAY BE OVERLOOKED

America Puts Forth Effort to Prevent Conference From Adjoining Without Planning Future

REGION MAY BREED WAR

Washington, Jan. 13—America is exerting every effort to prevent the arms conference breaking up without settling affairs in the Far East—generally regarded as the region most likely to breed war.

During the last few days, as the great naval treaty providing for reduction and limitation of the navies of the five powers was nearing completion, this government has noted with concern an apparent inattention on the part of other delegations to hasten home and leave unsettled such questions as Shantung, Siberia, and other Chinese questions, outstanding among which are the Japanese 21 demands.

Suggestions have been made in some American naval quarters that the United States should refuse to sign the naval treaty until agreements are reached on Far Eastern questions.

Meantime, the naval treaty—its acceptance probably postponed by Japanese reference of the fortifications clause to Tokyo—was to be further considered by the big five delegates. Progress therein is satisfactory. In fact, Arthur J. Balfour holds it to be "rosy" despite the fact that some time is lost by the Japanese course. Perhaps it will be three or four days before an answer comes.

John Knecht will hold a general farm sale of live stock and implements at his farm, Wednesday Feb. 1, 1922. 25012

"LIZZIE" IS ABOUT TO HAVE A BIG BROTHER

Ford Engineers Completed Details to Put Lincoln Motor Car Factory on Ford Production Basis

TO SPEND \$11,000,000

Detroit, Mich., Jan. 12—"Lizzie" of the Ford Automobile factory is about to have a big brother.

All arrangements working toward the quality produced at the Lincoln Motor Car Company, have been completed, it was stated today at the Ford plant.

Ford's engineers have been working on the proposition of putting the Lincoln Motor Car factory on the Ford production basis for several months and the details are entirely worked out.

Agents for the Ford factory will appear before Federal Judge Tuttle on February 4, date of the receivers sale of the Lincoln plant, and will be prepared to spend eleven million dollars to put it over.

It is rumored that the General Motors and the Durant have been investigating the proposition.

HAMPSHIRE BRED SOW SALE!

We, the undersigned, will make our first Annual Hampshire Bred Sow Sale At the Geo. Smalley Sale Barn in East Second St. Rushville, Indiana

WEDNESDAY, FEBRUARY 8th, 1922

SALE TO START AT 12:30 P. M.

60 HEAD OF HAMPSHIRE SOWS 60

Absolutely all eligible to register and bred to Harvest Lad 101663, by Cherokee Lad 9029; Maplewood Roller 108649, by Cherokee Roller 66671; Exalted King 75945, by Exalted Lookout 61789.

You will note that these sows are bred to three of as good boars as you will find in the East. The sows you will find when you look at catalogue, are equally as well bred. Catalogue mailed you on request.

EVERY SOW IN SALE HAS BEEN DOUBLE TREATED FOR CHOLERA We feel that you are offered a great opportunity to buy the right kind of Hampshire bred sows as we are positively selling the tops of our 1921 crop of gilts, and know they are a great bunch of individuals, and as good bred ones as you can buy any place in the land, carrying as they do the greatest blood lines of the breed.

TERMS—A credit without interest until September 1st, 1922, will be given, purchaser to execute note that the bank will accept. A discount of 4 per cent given for cash.

G. V. CONWAY CHAS. UTSLER

Miller and Carr, Aucts. John Heeb, Clerk. Glen Foster, Cashier.

Classified Advertisement Telephone Your Ads 2111

This page is read eagerly by the entire county daily. It is invaluable for merchants, farmers, professional men and all progressive people.

OUR RATES—All advertisements, except display are charged for at the rate of three-fourths cent per word for each insertion. We earnestly solicit these advertisements by telephone and expect payment when the collector calls. Ads mailed in should be accompanied by the remittance, as the amount is generally too small to justify bookkeeping.

Cards of Thanks and Obituaries are charged for at the same rate, minimum charge 25 cents. No charge accounts opened.

CLASSIFIED ADVERTISEMENTS ARE NOT TAKEN AFTER 10:00 A. M. FOR PUBLICATION ON THE SAME DAY

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of Ned Abercrombie, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 23d day of January, 1922, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then, and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 29th day of December, 1921.

LOREN MARTIN,

Clerk Rush Circuit Court.
